Sir:

INTRODUCTORY COMMENTS

This paper accompanies documents submitted to initiate national stage processing of the above-identified international patent application.

The claims of the international application were amended during international preliminary examination and the amendments were annexed to the International Preliminary Examination Report for the international application.

Before calculating the filing fee and before formal examination of the application on the merits, it is desired to amend the application in accordance with the following particulars.

AMENDMENTS**AMENDMENTS TO THE SPECIFICATION:**

The abstract is amended as shown on separate pages of this paper under the heading "AMENDMENTS TO THE ABSTRACT".

AMENDMENTS TO THE CLAIMS

Please amend the claims as annexed to the IPER in accordance with the following LIST OF CURRENT CLAIMS, which indicates the status of all the claims in the application and all amendments to the claims. The list of claims is intended to show the status of all claims pending in the application, including any amendments

International Application No. PCT/BE2004/000150
Attorney Docket No. MAXI3005/JEK
Preliminary Amendment

thereto.

The amendments to the claims appear in the following pages under the heading "LIST OF CURRENT CLAIMS". The claim listing replaces all previous versions of the claims presented in this application, and indicates any currently presented amendments and the status of each of the listed claims.

All rights are reserved to the original disclosed and claimed subject matter and any cancellation of claims is made without prejudice or disclaimer.
